Per the Court's September 13, 2013, status conference, the schedule for the Direct Purchaser Plaintiffs' ("DPPs") action was to remain governed by the scheduling order of March 13, 2013, ECF No. 1595 ("Mar. 13 Order"), while the other actions in the above-captioned MDL were advanced on the schedule provided in the Court's October 7, 2013, scheduling order, ECF No. 1991 ("Oct. 7 Order").

The Court finds that altering the DPPs' case schedule will encourage settlement and avoid factual problems that could arise from holding two related trials separately. Accordingly the Court MODIFIES the DPPs' case schedule to read as follows:

///

SCHEDULE

1	November 22, 2013	Last day for Defendants to serve expert reports on merits
2	January 31, 2013	Last day for DPPs to serve rebuttal expert reports on merits
3	March 3, 2014	Close of fact and expert discovery
4	April 15, 2014	Last day to file dispositive motions
5	June 2, 2014	Last day to file oppositions to dispositive motions
6	July 2, 2014	Last day for dispositive motions replies
7	July 18, 2014	Hearing on dispositive motions
8	July 31, 2014	Mediation

19
20 All dates and deadlines following July 31, 2014, are as provided in
21 the October 7 Order. In other words, all proceedings will be
22 consolidated for trial.

1 Since the DPPs stated that they did not need extra time for
2 discovery -- the reason the Court modified the other cases'
